Benefiting

The Noble Cause of Childhood Cancer

*The Francesco Loccisano Memorial Foundation...
who we are, why and how..*

Francesco Anthony Loccisano, also called Frankie, was a teenager who fought and succumbed to cancer. As an older pediatric cancer patient, he greatly understood the enormity of what it meant for a child to be so ill and fighting for life instead of enjoying life. As Frankie fought with dignity, grace and courage, he vowed to develop his own foundation to reach out with open arms toward the children.

In this spirit, our organization, which bears Frankie's name and honors his memory, actively, directly and responsibly supports children who are diagnosed with cancer and undergoing life-saving treatments that are critical to their care and survival.

To find out more about the important work we do and the charitable acts we engage in, you may visit us at

Hopefest 2009 is our flagship event.

The afternoon will include: full top-shelf open bar, Russo's on the Bay "Signature Brunch" followed by seven-choice gourmet dinner, chilled champagne station, mini venetian and desserts, European cappuccino and espresso bar and after dinner cordials

In addition, you will have an opportunity to participate in our outstanding raffle auction.

*The Rhapsody Players will entertainment us,
Our honorees will amaze us,
Children with cancer will be remembered,
...and when our gala concludes, we promise
that you will leave us filled with inspiration.*
